

CROWN VALLEY HIGHLANDS COMMUNITY ASSOCIATION

CVHCA.COM APRIL 2023

Email Update Request

The Crown Valley Highlands Board of Directors requests that each homeowner ensure that the email addresses that they have provided to the management company are valid, working email addresses. The Association uses email to communicate with homeowners in between meetings about various issues that may be happening in the community. Each year homeowners receive a 4041 form from the management company. The management company asks that these forms be returned timely, as that is how we can ensure that we have the correct contact information for all homeowners and their tenants. If you need to update your email address with management, please email customerservice@huntingtonwest.com with what the change should be. Please remember to include your name and property address in your email, so that the right account is updated.

Manager Change

Due to some personnel changes in our company, Esteban Rodriguez has been assigned as your community manager. Jennifer Marques is his assistant. Please direct all communications for Crown Valley Highlands to Esteban and Jennifer. Esteban's email is estebna@huntingtonwest.com and he can be reached via phone at 714-891-1522 ext. 233. Jennifer's email is jennifer@huntingtonwest.com and she can be reached via phone at 714-891-1522 ext. 227.

Trash Can Reminders

The Association would like to remind all residents that trash cans must be stored out of view no more than 24 hours after scheduled trash collection. Please ensure that you bring in your trash cans and place them out of view from the common street within this 24-hour time frame.

Architectural Requests

The Crown Valley Highlands Board of Directors encourages all homeowners to submit their Architectural Requests through their Personal Secured Portal. The Board would also like to remind all homeowners that their Architectural requests should contain detailed information about the project to be done. This includes providing paint chips for painting projects, location, product dimensions or brochures that show the Board what changes are being made. Applications that lack detail are subject to denial and requests for more information.

Committees

If you are interested in serving on one of the committees found in the Crown Valley Highlands legal documents, please submit your interest in writing to the property manager, Esteban Rodriguez. You may email Esteban at esteban@huntingtonwest.com. Interest for committees will be gauged by the number of responses received from homeowners.
