TREE TRIMMING REMINDER

The recent fires have brought attention to the need for maintenance of trees and dried brush. This is the time to trim trees that are overgrown, dry or extending over a neighbor's property line.

The Landscape Committee has met with the arborist to address the community trees as well. This bid will be approved and scheduled ASAP. A few trees will also be removed due to age concerns and liability.

PLEASE PICK UP AFTER YOUR PET

It doesn't take much to remember that we have pets in our community. In fact, if you don't watch your step, you're liable to step in one such reminder! When walking your dog in the community, remember that it should be leashed. Also, it is important to remember to immediately clean up after your pet. Take along a baggie with you to pick up waste and then dispose of it properly. Do not leave the bag on the community grass areas for someone else to remove.

By taking a few simple steps to clean up after your pet, you can contribute to the care of our community. Thank you for your cooperation!

FALL ENERGY SAVING TIPS

The strategies below will help you save energy, save money, and stay comfortable during the cool fall and cold winter months. Some of the tips below are free and can be used on a daily basis to increase your savings; others are simple and inexpensive actions you can take to ensure maximum savings through the winter:

- * Open curtains on your windows during the day to allow sunlight to naturally heat your home, and close them at night to reduce the chill you may feel from cold windows.
- * When you are asleep or out of the house, turn your thermostat back 10° to 15° for eight hours and save around 10% a year on your heating and cooling bills.
- * Seal the air leaks around utility cut-throughs for pipes ("plumbing penetrations"), gaps around chimneys, and recessed lights in insulated ceilings, and unfinished spaces behind cupboards and closets.
- * Add caulk or weather stripping to seal air leaks around leaky doors and windows.

Management Company:

Huntington West Properties, Inc.

23372 Niguel Rd. Laguna Niguel

ARCHITECTURAL REVIEW IS HELD AT 6:30PM on the 3rd Tuesday of each month at The Clubhouse

Pool Area Wi-Fi

The pass code is:
cvhapool.

Crown Valley Highlands HOA is saddened to learn that Sheryl Bailen, a long term homeowner, lost her courageous battle to cancer recently.

Sheryl and Bill Bailen moved to Laguna Niguel in the late 1970's and have been a dedicated part of this community with their volunteering to help make Laguna Niguel the special place to plant and grow our families. Sheryl always the 'doer' eager to raise her hand and step up to the many calls for help in those early days of hard work required to reach the goals set by the early pioneer Laguna Niguel leaders to help reach our 'special' community title. Always dedicated and dependable to fill spots or lead a project when called upon to volunteer.

The Bailen family were big supporters of Laguna Niguel's sports community again, always there to fill the fundraising needs and helping make so many memories for their 3 children and the community who participated in the sport community

Sheryl worked alongside the leaders to win the City Hood election in November, 1980 and a member of the committee who worked from the November election day to plan, & make happen, the celebration, **a night to remember**, for the new City's first event. Such a successful feat within less than a month. She continued to keep her enthusiasm and love for the City when the Laguna Niguel Historical Society was formed, several years after becoming a City, and faithfully served as a Lifetime Member to plan and collect memories of the past, present, and working toward the future serving on the Board for several years. Again, always stepping up to help to bring awareness and build membership for the new organization.

In addition she and Bill regularly attended, until her illness prohibited, the CVHHOA monthly meeting sharing their interest in all things surrounding and affecting their home on Troon, in the Northview section, within the HOA. Our thanks to Sheryl and sympathy to her family for all the time shared with this community helping to make it 'SPECIAL'.
